Pirates of Port Adelaide 2018

On 15th and 16th September the Pirates of Port Adelaide Festival, proudly sponsored by Flinders Port Holdings, will transform the iconic Hart's Mill into a Pirate Hub hosting sea-faring themed entertainment, pirate food, kids craft workshops and markets.

On the river, the Pirate Games will deliver Arrr's aplenty. Teams will compete on a water/land obstacle course involving spectacles such as walk the plank, cannon ball run, swim for the booty and tug o' war. In accordance with the Pirates of Port Adelaide Code, participating teams must share booty by raising money for their favourite charity, sporting club and other causes.

Pirate Festival favourites such as the pirates-of-all-ages Treasure Hunt, as well as pop-up pirate-themed events and theatre will keep the landlubbers happy. By evening, the many bars, restaurants and pubs in Port Adelaide will offer unique pirate food, drink, and music experiences.
